**Notes:**

- Entry to wellness centre can be denied because of the high hotel occupancy - in opening hours, or Corporate event - whole day. We recommend to inform yourself in advance about the possibility of entry to the wellness centre.
- Because of the compulsory maintenance of wellness, twice a week is a sanitary day - on this day it is possible to visit the wellness centre from 14:00
- When entering the wellness centre, please see the operating instructions.

**Informations for owners:**

- \*\* • With Residence Club Card Platinum you can use the swimming pool free of charge (2h./day).
- \*\* • In case of free use of the pool please bring your own towels
- \*\* • If you are interested in entering the entire wellness centre, please follow the price list. The value of the pool entrance is not deducted from the price.
- If you enter with children, please, follow the operating instructions. Stay of children after 7pm in this area is not allowed.
- Residence Club Card and discounts associated with it may be used only by owner and persons determined by him, after showing their identity card. Please do not provide the card to other persons who do not have the right to receive discounts and benefits under our agreement.
